Faria Education Group

Enhancing Efficiency in Education Globally

Faria Education Group was founded in 2006 to transition schools from paper onto a curriculum-focused learning platform, ManageBac, which is a world leader in international education systems and services. Our global team 233 serves over 10,000 schools and 3 million students.

Our Focus Areas
translating purpose into action:

- **Paper to Paperless**
- **Unified Family Experience**
- **Integrated All-in-One School Systems**

Integrated Services Overview
All of our services seamlessly work together to provide you an integrated experience across platforms.
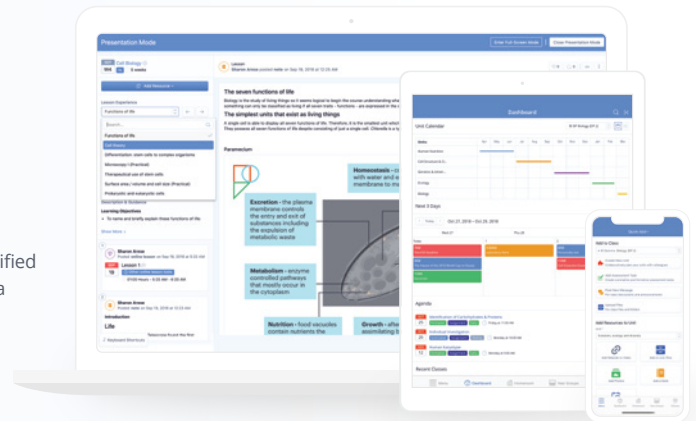

Learning & Teaching

ManageBac

The Leading Learning Platform for IB World Schools

Serving over 3,000 Leading International Schools

By combining curriculum planning, assessment, reporting and attendance into one unified platform with a consistent, modern and mobile-ready interface, ManageBac provides a seamless & integrated experience for coordinators, teachers, students and parents.

Online Learning

pamoja

Online Learning Reimagined

We provide schools across the globe with flexible online learning solutions that address key educational challenges, from structured content to courses fully taught by our own teachers. We help schools broaden their subject offering by delivering online courses for IB Diploma, Cambridge IGCSE, Cambridge International AS and A Levels.

pamoja online courses

Pamoja Online Courses are taught online by our experienced teachers trained in digital learning methodologies. A solution to support schools' digital strategies and ease teacher recruitment challenges.

pamoja lesson suite

ManageBac

Integrated with ManageBac, Pamoja Lesson Suite provides teachers with a range of tailor-made resources including unit plans, lessons, and student assessments and monitoring tools. A solution to save teachers' time on course preparation whilst developing skills in online learning methodologies.

Self-Paced & Inquiry-Based

Student-Centred & Collaborative

Differentiated Assessment

AtlasNext

A Leading Curriculum-First Learning Platform

AtlasNext is a leading online planning, assessment and reporting platform for independent and international schools worldwide.

Re-Enrolment

Enquiry, Admissions & Enrolment

Allow families to manage all aspects of the admissions process from enquiry to enrollment, from visit bookings to admissions fee payments, through a dedicated parent account.

Eliminate Administrative Headaches

Make use of a system built from the ground up for school admissions. View applicant pools, send bulk emails, chase missing documentation, collaboratively review applicants, view comprehensive analytics, and much more.

SchoolsBuddy

SchoolsBuddy is the complete extra-curricular system for staff, students and parents, featuring online sign up, allocation and management. Manage online payments with SchoolsBuddy for trips, events, activities, fees, and more.

Activities Management

SchoolsBuddy helps organise complex extra-curricular activity programmes including sign up, allocation and recording attendance. Also ideal for managing sports teams.

Online Payments

SchoolsBuddy links payments with activities and events and can also be used for other one-off payments including, events, tickets, kit and fees. Online payments are available in over 100 countries.
